

Jessica Ryan, social worker serving Carlinville Schools, was honored with the *You Make the Difference* award during the Mid-State Special Education staff meeting on December 13, 2019. Over the last 12 years, Jessica has consistently demonstrated strong leadership, continued persistence, on-going cooperation, and heart-felt enthusiasm for students, staff and families. Through her many social-emotional initiatives including the Student Supports Team, Responsibility Assembly, Rock the Block, FORCE, directing the high school musical, and community outreach activities, Jessica regularly goes above and beyond to improve the lives of Carlinville students.
